FUNDING SUMMARY

- Reduces certain General Fund appropriations by a net amount of \$61.9 million in FY 2013 compared to the FY 2013 appropriations levels enacted during the 2011 Legislative Session.

MAJOR INCREASES, DECREASES, OR TRANSFERS OF EXISTING PROGRAMS

- Limits FY 2013 standing General Fund appropriations as follows:
 - \$375,000 to the Department of Cultural Affairs (DCA) for operational support and community cultural grants.
 - \$728,000 to the Department of Economic Development (DED) for regional tourism marketing.
 - \$154,000 to the Department of Public Health (DPH) for the Center for Congenital and Inherited Disorders Central Registry.
 - \$196,000 to the Department of Human Services (DHS) for Primary and Secondary Child Abuse Prevention Programs.
 - \$9.6 million to the Department of Education for Children At-Risk Programs.
 - \$17,000 to the Department of Revenue for tobacco reporting enforcement.
 - \$12.0 million to the Department of Natural Resources for the Resource Enhancement and Protection Fund.
- Transfers a portion of the FY 2012 General Fund surplus to the Taxpayers Trust Fund.

Page 1, Line 11

Page 2, Line 23

FISCAL IMPACT: The amount of excess funds transferred from the General Fund surplus to the Taxpayers Trust Fund is estimated to be between \$320.0 million and \$330.0 million in FY 2013. Under current law, the excess funds would be transferred to the General Fund.

SIGNIFICANT CODE CHANGES

- Requires, beginning in FY 2013, at least 95.0% of preschool foundation aid received by a school district to be used to provide preschool programming to eligible students enrolled in the Program.
- Increases the FY 2013 State aid reduction to area education agencies (AEAs) from \$10.0 million to \$20.0 million. In addition to the \$20.0 million State aid reduction for FY 2013, the AEAs have an annual statutory reduction of \$7.5 million. The State aid reduction to AEAs will total \$27.5 million for FY 2013 and will match the FY 2012 total State aid reduction amount.
- Adds AEAs, in addition to school districts, to the requirement of creating quality professional development

Page 4, Line 11

Page 4, Line 20

Page 4, Line 31

opportunities and individual professional development plans. Requires each school district and AEA that receives professional development supplement funds to set aside up to 3.0% of the funds for the purpose of compensating substitute teachers to temporarily replace nonpublic teachers located within the school district and AEA boundaries that are required to receive core curriculum professional development.

- Allows school districts to use two-thirds of the early intervention supplement funds beginning in FY 2013 to pay for any additional costs resulting from enactment of education reform legislation during the 2012 Legislative Session.
- Requires all State employees to pay at least 25.0% of the total premium for the plan they select for State group health insurance. The Sections addressing collective bargaining agreements and group health insurance are effective on enactment.

Page 6, Line 20

Page 7, Line 24

FISCAL IMPACT: This requirement will reallocate, on an annual basis, an estimated \$108.7 million of health insurance costs from the employer to the employee. Of this amount, \$46.7 million is associated with the General Fund, and \$62.0 million with other funds. This requirement also establishes a process that transfers the increased employee payments back to the State agencies and requires the Department of Management to reduce appropriations by an equal amount. This Division will reduce General Fund appropriations by an estimated \$46.7 million in FY 2013.

- Makes technical corrective changes to various bills that have passed both the House and the Senate.

 5 6 thereof for professional development and use of the funds is
 5 7 limited to providing professional development to teachers,
 5 8 including additional salaries for time beyond the normal
 5 9 negotiated agreement; pay for substitute teachers, professional
 5 10 development materials, speakers, and professional development
 5 11 content; and costs associated with implementing the individual

 5 25 core curriculum professional development provided elsewhere
 5 26 than on accredited nonpublic school property. The substitute
 5 27 teacher shall be employed to teach only coursework that is
 5 28 nonsectarian. Funds set aside by a school district and area
 5 29 education agency pursuant to this paragraph shall be paid on
 5 30 a prorated basis to the area education agency providing the
 5 31 Iowa core curriculum professional development to the accredited
 5 32 nonpublic school teacher. The proration shall be based upon

 5 35 10, and the amount of the professional development funds
 6 1 calculated and paid to the area education agency under section

CODE: Adds AEAs, in addition to school districts, to the requirement of creating quality professional development opportunities and individual professional development plans. Requires each school district and AEA that receives professional development supplement funds to set aside up to 3.0% of the funds for the purpose of compensating substitute teachers to temporarily replace nonpublic teachers located within the school district and AEA boundaries and who are required to receive core curriculum professional development.

DETAIL: The estimated FY 2013 professional development supplement totals \$29,500,000. The estimated amount generated to cover the cost of substitute teachers for the nonpublic schools is \$885,000 in FY 2013. Based on preliminary FY 2011, the ending restricted fund balance for professional development (including model core curriculum) totaled \$24,400,000 for all school districts.

FISCAL IMPACT: This provision will have no fiscal impact on the General Fund.

6 2 257.37A, subsection 2. The area education agency providing
 6 3 the professional development to an accredited nonpublic
 6 4 school teacher pursuant to this paragraph shall reimburse
 6 5 the accredited nonpublic school for the compensation of the
 6 6 substitute teacher from the professional development funds
 6 7 available to the agency pursuant to this paragraph. If three
 6 8 percent of such funds identified in this paragraph are expended
 6 9 by school districts and area education agencies, this paragraph
 6 10 requires no further reimbursements.

6 11 Sec. 10. REPEAL. 2012 Iowa Acts, House File 2168, section
 6 12 5, is repealed.

CODE: Repeals a provision from HF 2168 (Deposit of Public Funds), that allows the Treasurer of State to assess a charge against certain banks to cover the loss of public funds if the public funds are not covered by federal deposit insurance. House File 2168 was enacted by the General Assembly on March 27, 2012.

6 13 Sec. 11. EFFECTIVE UPON ENACTMENT. The following
 6 14 provision or provisions of this Act, being deemed of immediate
 6 15 importance, take effect upon enactment:
 6 16 1. The section of this Act providing for transfer of moneys
 6 17 to the taxpayers trust fund.

The transfer of the FY 2012 General Fund surplus to the Taxpayer Trust Fund is effective on enactment.

6 18 DIVISION III
 6 19 IOWA EARLY INTERVENTION BLOCK GRANT PROGRAM EXPENDITURES

6 20 Sec. 12. Section 256D.2A, Code 2011, is amended to read as
 6 21 follows:

6 22 256D.2A PROGRAM FUNDING.

6 23 1. For the budget year beginning July 1, 2009, and each
 6 24 succeeding budget year, a school district shall expend funds
 6 25 received pursuant to section 257.10, subsection 11, at the
 6 26 kindergarten through grade three levels to reduce class sizes
 6 27 to the state goal of seventeen students for every one teacher
 6 28 and to achieve a higher level of student success in the basic
 6 29 skills, especially reading. In order to support these efforts,
 6 30 school districts may expend funds received pursuant to section
 6 31 257.10, subsection 11, at the kindergarten through grade three
 6 32 level on programs, instructional support, and materials that
 6 33 include but are not limited to the following:additional
 6 34 licensed instructional staff; additional support for students,
 6 35 such as before and after school programs, tutoring, and
 7 1 intensive summer programs; the acquisition and administration
 7 2 of diagnostic reading assessments; the implementation of
 7 3 research-based instructional intervention programs for students
 7 4 needing additional support; the implementation of all-day,
 7 5 everyday kindergarten programs; and the provision of classroom

CODE: Beginning in FY 2013, allows school districts to use two-thirds of the early intervention supplement funds to pay for any additional costs resulting from enactment of education reform legislation during the 2012 Legislative Session.

DETAIL: The estimated FY 2013 early intervention supplement totals \$30,300,000. School districts could use up to \$20,200,000 to pay for any additional costs resulting from education reform initiatives enacted during the 2012 Legislative Session.

FISCAL IMPACT: There is no fiscal impact to the State General Fund. The estimated impact on school districts is currently unknown and will depend on the education reform initiatives enacted and any funding appropriated for those initiatives.

7 6 teachers with intensive training programs to improve reading
 7 7 instruction and professional development in best practices
 7 8 including but not limited to training programs related to
 7 9 instruction to increase students' phonemic awareness, reading
 7 10 abilities, and comprehension skills.

7 11 2. Notwithstanding subsection 1, for the budget year
 7 12 beginning July 1, 2012, and each succeeding budget year, a
 7 13 school district may expend two-thirds of the moneys received
 7 14 pursuant to section 257.10, subsection 11, to pay for the costs
 7 15 of complying with education reform legislation enacted by the
 7 16 Eighty-fourth General Assembly, 2012 session.

7 17 Sec. 13. Section 256D.9, Code 2011, is amended to read as
 7 18 follows:

7 19 256D.9 FUTURE REPEAL.

CODE: Extends the repeal date of the Early Intervention Block Grant Program from July 1, 2012, to July 1, 2017.

DETAIL: Although the Program will be repealed under current law, funding for the Program will still be generated through the school aid formula in FY 2013 and future fiscal years. The Legislative Services Agency (LSA) assumes that although the school districts will receive funding for the Program, the school districts will not have the authority to spend those funds. The estimated total of the early intervention supplement is \$30,300,000 in FY 2013.

FISCAL IMPACT: There is no fiscal impact to the State General Fund.
